

Adding Certificates to LinkedIn

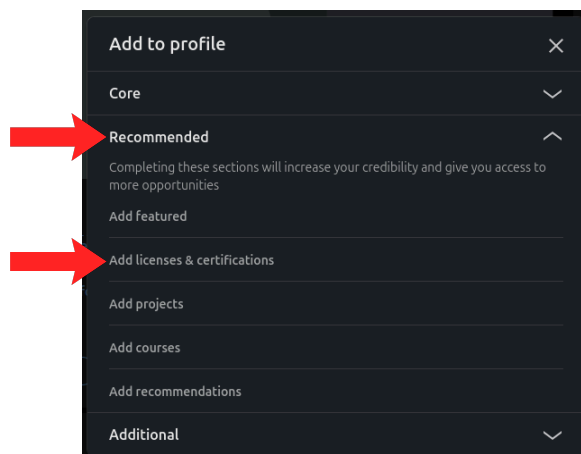

This tutorial will guide you with how to add your certificate as an official **Licence & Certifications** element on your LinkedIn profile. As shown down below:

1.1. Click on Add Profile Section Button

1.2. Under Recommended, pick Add Licences & Certifications

1.3. Fill in the following fields

Add license or certification

* Indicates required

Name*

Issuing organization*

Issue date

Expiration date

Credential ID

Credential URL

Skills

Associate at least 1 skill to this license or certification. It'll also appear in your Skills section.

[+ Add skill](#)

Media

Add media like images, documents, sites or presentations. Learn more about [media file types supported](#)

[Save](#)

Feel free to add **any skills** that you feel are relevant.

1.4. Click on **Add Media**, then:

Upload pictures, presentations or documents

Add license or certification ×

1.5. Fill in the following Media Fields and upload your certificate

← Add media

×

Title*

Participation Certificate

Description

Swiss Rover Challenge 2025
Held at Institut Le Rosey, Rolle

Thumbnail

The thumbnail shows a 'Certificate of Completion' from the Swiss Technology & Education Meetups Network. It certifies that Loïc Delineau has successfully completed and scored 1st Place at the Swiss Rover Challenge National Robotics Competition, held at Institut Le Rosey on May 31st, 2025. The certificate is signed by the network and includes logos for the STEM Network and microver.ch.

Apply

1.6. Adding a picture of your rover is also a great idea
